PCST

❖ Pakistan Botanical Society (PBS) is one of the leading societies that aim to cultivate, promote and disseminate knowledge of all branches of plant science.

❖ Ever since its inception in 1968, PBS has grown steadily over the years and now has a vast membership of plant scientists from all over the country and abroad.

❖ PBS provides an opportunity to active researchers to present their work and generate discussions for further planning of their research. PBS also publishes bi-monthly "Pakistan Journal of Botany".

❖ One of the major activities of the society is to organize National and International Conferences regularly.

❖ So far the society has successfully organized 13 national and 4 international Plant Scientists Conferences. The 14th National and 5th International Conference of Plant Scientists will be held during January 15-18, 2016 at the University of Karachi, Karachi, Pakistan.
